

ENRICHMENT PROGRAMME AUTUMN 2025

HONITON
COMMUNITY
COLLEGE

WELCOME

At Honiton Community College, enrichment is at the heart of student life, offering a broad and diverse range of clubs and activities designed to inspire and challenge. From creative arts and performance to sports, technology, and academic pursuits, there is something for everyone to explore. We encourage all students to be curious, step outside their comfort zones, and simply have a go—whether it's trying something completely new or developing a passion further. Our enrichment programme not only broadens horizons but also helps students build confidence, friendships, and skills that will last a lifetime.

As well as the activities within HCC, we work closely with LED Leisure to offer our students additional opportunities, as outlined below and throughout this booklet:

“An understanding of the natural world is a source of not only great curiosity, but great fulfilment. I just wish the world was twice as big and half of it was still unexplored.”
