## IT UPDATE - BROMCOM

Thank you to everyone who has already signed up for Bromcom. We will be working on a data check next to ensure that we hold the most up to date information for you; more to follow. This week we are launching the App for students so that they will be able to access key information, just as they did with Class Charts. We will send both Weduc messages and Bromcom messages for one more week, for anyone still having technical issues. Please contact us if you still need any support.

## STUDENT FUNDRAISER

A CURE CAN'T WAIT

Lizzie Lanning (Year 12) is currently training for the **London Landmarks Half Marathon**, raising money for **The Brain Tumour** charity. It's a big 22k challenge and she is running for family friends who have sadly been diagnosed in recent years. Money raised will support vital research, and comfort those affected. If you are able to support this fundraiser, all donations would make a big difference. Please click the link below. Thank you!

## MUSICAL INSTRUMENT AND VOCAL TUITION at HCC

Honiton Community College is extremely fortunate to be supported by a team of specialist music teachers from the local area with a wealth of experience both in teaching and in the music industry.

More information is available on the document attached to the email, including contact details & fees.

To summarise, the team are able to offer the following:

- **PIANO AND BRASS TUITION** with Gail Denning
- **WOODWIND TUITION** with Darren Cooke
- **DRUM TUITION** with Jack Revy
- **GUITAR TUITION** with Jesse Molins
- **VOCAL TUITION** with Sarah Ryan

Lessons are taught weekly at the College, and are on a rota to avoid affecting the same lessons each week. Devon and Torbay Music Education Hubs offer a subsidised instrument hire service, and lessons cost between £11 and £20.25 per session. Please contact our peripatetic teachers directly if you would like to discuss options or if you have any questions, Thank you.

## Assessment Week

Next week, to inform their reports, students across the college will be taking part in 'Cycle 1 Assessment Week'. Students are being supported by their teachers to prepare and encouraged to get into a positive mindset for these routine assessments. During the week there will be independent learning lessons, revision sessions and carefully monitored peer marking of some questions. Working this way ensures that teachers can review the progress of every student across the college. In the subsequent lessons, students will receive feedback to help them to improve, and future teaching will be adapted to fill the gaps in their knowledge. Progress Reports will be sent home after Christmas. We welcome your support in giving reassurance and encouragement, to build students' resilience during this process.

We would also like to wish Yr 11 luck with their mock GCSE exams starting this week!

## November 2023 Community Swap Shop

This swap shop will have a Christmas theme and last year we found lots of children in particular appreciated the opportunity to pick up a gift for their family without the cost implications that can sometimes present a challenge.

We would be very grateful for the normal donations of clothes but would also appreciate donations of unwanted gifts you may have at home as well as toys, games, books and Christmas decorations that are in good condition. All donations can be dropped off in Reception. Thank you very much in advance.

For anyone who has not come along before, this event is held for the local community in our Drama Hall, and is a chance to come and pick up clothes, bags, toys and games that have been donated. Bring along something to swap if you can, but it is not compulsory.

Tea/coffee is available, as well as food donations from our local Food Save.

We hope to see you there, anytime between 11am and 2pm.

## The Honiton Community Swap Shop!

OPEN FROM 11AM TO 2PM! ALL AGES AND SIZES AVAILABLE!

**Saturday 25th November 2023  
Christmas Swap Shop**

**Honiton Community College**
