Fri 20	Yr13 Geography Fieldtrip Day 4

## Does your child need help with their Sparx Maths home learning?

The Maths Department run a drop in support session in IT5 every Friday lunchtime for any student to get help and assistance with their mathematics home learning. Teachers are available from 1.35 to 2pm every Friday to help with any aspect of mathematics home learning.

As a reminder, Sparx maths home learning is automatically set for all students every Wednesday at 3pm and is due in the following Tuesday morning at 8am. We strongly advise that all students complete their mathematics home learning on the Wednesday evening (their timetabled home learning night for maths) so they can then get help and support well before the deadline. Please do encourage them to use the group if they need.

Thank you. Mr M Brailsford

### TWO-WEEK OCTOBER HALF TERM!

Don't forget students have a two-week October half-term. We will re-open on **Monday 6th November**

## Communication notices

- Since we upgraded our systems and changed our email domain name, some families have found our emails have been marked as spam and delivered to junk mail—please check yours and spread the word if you know of anyone who is missing communications
- Letters have gone out to families of year 7 and 9 re Activities Week Residentials. If you or anyone you know has not received the letter, please let us know. We are really pleased to be expanding our Activities Week programme. Payments have been set up on Weduc and details provided in the letters.
- 2024/25 Term Dates will be published later this week

## RAAC: Reinforced Autoclaved Aerated Concrete

We are very pleased to let you know that we have had our site thoroughly inspected and we do not have any RAAC.

## POST-16 OPEN EVENING

**Thursday 19th October  
6pm**

6pm start with introduction talk followed by subject presentation and fair
